## GET OUT OF NEUTRAL

Scriptures: 2 Kings 2: 1-13; Mark 9: 1-9  
Pastor Alan Smith

**CONTEXT:** A growing sense of apathy...  
A disheartened disengagement expecting little  
to nothing in the present, simply hoping to sur-  
vive the moment.

People at the time of Elijah had become  
complacent with the society around them.

Elijah and Elisha - - a symbolic journey that  
reminds them, others engaged in it, and us -  
that God has been moving across history and  
still is. God has a plan.

“Beth-el” – means “House of God”.

Jericho – the transition point from the days  
of wandering to the “coming home” to the  
promises and plans for their future.

“It is good for us to be here... let’s build a  
stationary object here in this off the path  
place...”

God is calling for more than an encounter,  
God is calling for engagement in, participation  
with God by His servants

God is calling us to a solid mountain, to  
Bethel, to the challenges of Jericho, to cross  
the Jordan.

Elisha – he refuses to miss out... he wants  
the blessing of God...

Don’t be distracted by those who consistently  
attempt to give in or give up, to wait and see, to  
merely exist when we are called to live.

What is your next in your service of God?

## DO SOMETHING

### Verse 1

I woke up this morning  
Saw a world full of trouble now  
I thought how'd we ever get so far down  
And how's it ever gonna turn around  
So I turned my eyes to Heaven  
I thought God why don't You do something

### Verse 2

Well I just couldn't bear the thought of  
People living in poverty  
And children sold into slavery  
The thought disgusted me  
So I shook my fist at Heaven  
And said God why don't You do something  
He said I did I created you

### Chorus

If not us then who, If not me and you  
Right now it's time for us to do something  
If not now then when  
Will we see an end  
To all this pain  
It's not enough to do nothing  
It's time for us to do something

### Verse 3

I'm so tired of talking  
About how we are God's hands and feet  
But it's easier to say than to be  
Live like angels of apathy who tell ourselves  
It's alright somebody else will do something

### Verse 4

Well I don't know about you  
But I'm sick and tired of life with no desire  
I don't want a flame I want a fire  
And I I wanna be the one who stands up and says  
I'm gonna do something

### [Chorus]

### Bridge

We are the salt of the earth  
We are a city on a hill (shine shine shine shine)  
But we're never gonna change the world  
By standing still  
No we won't stand still (repeat)

## MY FEET ARE ON THE ROCK

### Verse

I can see the clouds roll in  
I can feel the wind as they try to shake me  
I will not be moved  
My feet are on the rock

I can feel the waters rise  
I can hear the howling lies that haunt me  
Fear won't hold me now  
My feet are on the rock

### Chorus

When I feel my hope about to break  
I will cling to Your unchanging grace  
Let the waters come and the earth give way  
I'll be dancing in the rain!  
My feet are on the rock

### Verse

I can see the morning light  
I can feel the joy on the horizon  
Here my faith is found  
I stand on solid ground!

### Chorus

When I feel my hope about to break  
I will cling to Your unchanging grace  
Let the waters come and the earth give way  
I'll be dancing in the rain!  
My feet are on the rock

### Bridge

On Christ, the solid rock I stand  
All other ground is sinking sand  
So stomp your feet and clap your hands  
Our feet are on the rock

## GOD'S NOT DEAD (Like a Lion)

### Verse 1

Let love explode and bring the dead to life  
A love so bold to see a revolution somehow  
Let love explode and bring the dead to life  
A love so bold to see a revolution somehow

### Pre-Chorus

Now I'm lost in Your freedom  
And this world I'll overcome

### Chorus

My God's not dead  
He's surely alive  
He's living on the inside roaring like a lion  
God's not dead  
He's surely alive  
He's living on the inside roaring like a lion  
Roaring, He's roaring, He's roaring like a lion

### Verse 2

Let hope arise and make the darkness hide  
My faith is dead I need a resurrection somehow  
Now I'm lost in Your freedom  
And this world I'll overcome.

### Chorus

### Bridge

Let heaven roar and fire fall  
Come shake the ground with the sound of revival  
Let heaven roar and fire fall  
Come shake the ground with the sound of revival

### Chorus

## **OCEANS (Where Feet May Fail)**

### **Verse 1**

You call me out upon the waters  
The great unknown where feet may fail  
And there I find You in the mystery  
In oceans deep  
My faith will stand

### **Chorus**

And I will call upon Your name  
And keep my eyes above the waves  
When oceans rise  
My soul will rest in Your embrace  
For I am Yours and You are mine

### **Verse 2**

Your grace abounds in deepest waters  
Your sovereign hand  
Will be my guide  
Where feet may fail and fear surrounds me  
You've never failed and You won't start now

### **Bridge**

Spirit lead me where my trust is without borders  
Let me walk upon the waters  
Wherever You would call me

Take me deeper than my feet could ever wander  
And my faith will be made stronger  
In the presence of my Savior

## **LET IT START WITH ME**

### **Verse 1**

In the Streets of every village  
Every city's soaring tower  
Empty people live in darkness  
Every minute every hour  
Hear the cry of desperation  
From a billion broken hearts  
With a need so great, where do we even start?

### **Chorus**

Let it start with me (start with me)  
Open up my eyes (Open up my eyes)  
Fill my heart with your compassion  
Free my mind from all distractions  
Use my hands (Use my hands)  
to set the captive free (set the captive free)  
Move my feet to follow after you  
Lord change the world and let it start with me

### **Verse 2**

You've given us the orders  
There's a place for everyone  
I don't wanna miss my mission  
In the plan that you've begun  
You have promised to go with me  
To the edges of it all  
And change everything that keeps me from your call

### **Chorus**

### **Bridge**

Take my life, all I've called my own  
Everything I am is Yours alone

### **Chorus**
