Lenten Devotion

The season of Lent begins in 10 days, on Ash Wednesday. The season of Lent is an invitation to step away from “the plenty” that draws our attention to worldly things **so that** we can focus our attention on Christ and all he is doing! The 40 days of Lent are not easy or celebratory like our favorite holidays, but they invite us to form habits and discipline that deepen our walk with the Lord. For Lent this year, we will be doing a Bible app plan as a Youth Ministry—Lent for Everyone! Join the plan here: <https://bit.ly/forgebible>. You can also have your student scan the QR code below!

In this series, we will take a look at the book of James and discover that having the right rules in our lives frees us to be the person God made us to be!

This week's lesson: Free people don't dance with danger!

No Youth Night Tonight

We do not have Youth Night tonight because so many of us watch the Super Bowl with our families! Enjoy the evening of football and snacks!
