# START WITH THE HEART

**KATHY KOCH, PhD**  
FOREWORD BY KIRK CAMERON

I am reading the above book on motivating your kids. I know we all can use help in raising compassionate, responsible and brave kids. For several weeks I will be sharing some ideas on :

### **SECURING YOUR CHILDRENS HEARTS.**

I hope you will be inspired to try these ideas. I have the book if anyone would like to borrow it .

8. CHILDREN ARE HUMAN BEINGS, NOT HUMAN DOINGS. Who they are is more important than what they do.
9. RAISE THE CHILDREN YOU WERE GIVEN, not the children you wish you had.
10. CREATE MEMORIES AND BUILD TRADITIONS with individual children and with your family. Laugh, dream, think, feel, play, read, and explore together.
11. PARENT SO CHILDREN WILL WANT TO BY YOUR FRIEND LATER. Don't prioritize friendship now.
12. REMEMBER NEEDS AND WANTS ARE DIFFERENT. Children don't need everything they want. Parent to meet their needs.

## DAILY CHALLENGE FROM THE PARENTING CLASS

- ◆ Keep track of the big things God is doing in your families lives
- ◆ How will we be sure to notice this in our daily lives
- ◆ Remind your kids to have faith in what God is doing in their lives each day

This month during our Sunday School opening, we are learning the traditional version of AMAZING GRACE. It is important to keep these traditional hymns alive with all of our children and families.
