**Provide a Pig**

**The most special part of Christmas**

is spending time with family – gathering around the table, sharing a meal, playing games, opening gifts. This time refreshes and connects us. Your gift of a pig and training in its care will help nourish a hungry family and help them enjoy their time together with a new sense of hope.

The gift of a pig provided Modesta and Martín:

- A valuable source of protein
- Income from the sale of offspring
- Natural fertilizer to nourish crops and soil

Pigs need little land and can thrive on crop and garden scraps. And since a sow can provide up to 16 piglets a year, many more families will soon benefit as your gift is passed on.

*Martín and Modesta's grandsons Edgar and Juan are going to school thanks to the gift of a pig.*

Martín and Modesta no longer have to worry about when their next meal will be, and they can

*hope for the future.*

Are you looking for ways to help with our Living Gift Market this year?

We are looking for donations of craft items to be sold the day of the Market. Just drop them off, anytime in November at the KISS A PIG TABLE.

We are in need of two people to act as GREETERS from 11am—1pm.

Let June Rose know if you are interested in serving.
