KEY POINT.... Jesus is special

DAILY CHALLENGE FROM THE PARENTING CLASS

- ◆ Help your children celebrate and thank Jesus for his special nature
- ◆ Talk about Jesus' roles as both God and man

Our Core Values for COGS KIDS....

K: Know God and His Word – learn and then extend the gospel to others right here and around the world.

I: Involve in friendship and fellowship – By relating authentically with others for their good and my growth.

D: Develop Spiritual Gifts.

S: Serve – in church and in the community.

When is the last time you read your bible with your children? Remember you are the biggest influence in their spiritual habits and growth.

NOT FEELING WELL?

We want to keep all of our COGS KIDS, teachers and helpers safe during our Sunday School time. If you or a family member are experiencing fever, sore throat, cough, cold....please be considerate of others and remain home for the day.

COGS KIDS COVID PROCEDURES

At this time, COGS KIDS masking guideline is at the **PARENTS DISCRETION**.

If families/teachers are still uncomfortable with their children being unmasked, the children/teachers may still wear masks during Sunday school. All other families/teachers may not have on masks if that is their preference.
