

Today in Sunday School

Middle School

Youth Room, 9:45 - 10:45 AM

This study provides an opportunity to reinforce leadership skills in young adolescents. Middle school students may feel insecure and be tempted to follow those who are older or seem more confident. Explain to students how Jesus impressed powerful religious leaders when he was about their age. With Christ helping them, they can make a big difference, too.

High School

Room 23, 9:45 - 10:45 AM

Senior highers work hard at establishing their identities. They can get frustrated when they feel that others don't take the time to really get to know who they are and what they are all about. Take time to get to know your students by listening to them and asking about their weeks. Let them know that you see the ways Jesus has made them special. And use this study to show that Jesus had his own unique and special personality.
