

## Today in Sunday School

### Middle School

Youth Room, 9:45 - 10:45 AM

Because of the way our culture is full of Christmas traditions that have nothing to do with Jesus' birth, many students this age don't grasp the importance of this celebration. They may easily lose sight of the Lord's birth and instead focus on gifts and having a break from school. As you lead this study, you have the awesome privilege of helping your group enter into the joy and wonder that was the real gift of Christmas.

### High School

Room 23, 9:45 - 10:45 AM

Adolescents are targeted by advertisers and ensnared in webs of commercialism, especially at Christmastime. It's hard for them to stay focused on the true "reason for the season." At times, all the new gadgets and gizmos available can seem like more of a reason to celebrate than an event they've heard many times. Use this study to challenge students to place their focus on the ultimate giver of gifts—God—and to celebrate Jesus' birth.
