

COGS KIDS—FAITH GOALS

Children are born with an innate sense of wonder and faith that is genuine and real. As teachers and leaders, our role is to provide a foundation of experiences on which children can build a life of learning and growth toward a mature and vital faith. With intentional learning and Christian formation, we become the people God calls us to be. As we develop our gifts we can more faithfully encourage and guide young children through their own faith journey.

We have rolled out our Faith Goals to all of our Nursery through 5th grade teachers. We will be taking steps to have each child learn and embrace these goals each year.

Parents are encouraged to ask questions and learn along side of our Precious children.

“Let the children come to me, do not stop them; for it is such as these that the Kingdom of God belongs.” Mark 10.14b
