Sending Forth

A New Beginning Everyday

On the day of Pentecost, the room where the believers were gathered exploded with wind and something like fire, and they were all filled with the Holy Spirit. This was the birth of the church. It is a new beginning for the people of God. Through this new birth, the church is now a partner with God through the Spirit and we are his presence on earth.

The Church is now the body of Christ on the Earth through the indwelling and empowering of the Holy Spirit. The church of Jesus Christ is made up of the people of God who are filled with the Holy Spirit, set on fire to proclaim the great love and salvation of Jesus Christ won for us on the cross.

The church is a family, a community of believers who are united by the Living God. We are knit together by the Spirit, the works we do are the outpouring of the Spirit working through us, and everything we do is through the power of the Holy Spirit who is at work in us and through us.

The confirmands have a new beginning today as they enter into full membership in the church, and each of us can have a new beginning today. His mercies never end, they are new every morning; God’s grace abounds and his arms are always open wide to us. God is always calling out to us, wanting us to step out of our comfort zone and invite him to be our king.

The church had a new beginning on that first day of Pentecost. The reason it is still here is that new beginnings happen every day. They happen every time a person welcomes Jesus into their heart – whether for the first time, or every single morning. Whenever we turn to Jesus we have a new beginning, a fresh start.

Continued next column...

This is the true church – the living embodiment of Jesus Christ on earth - a living, breathing gathering of people who are called to be one family, made one through the blood of our Savior.
